She would like copies of the public notices	

The regs also require that we send to a number of other folks - (See 124.10(c) for complete list) – Fed and State wildlife agencies, ACHP, SHPOs and THPOs, state and local oil and gas regulatory agencies and state agencies regulating mineral exploration and recovery, local govts....

We should also send to the AE petition groups.

NRDC, Clean Water Action, Powder River Basin Resource Council and New Mexico Environmental Law Center submitted a petition urging the EPA to repeal or amend the aquifer exemption rules to protect drinking water sources and uphold the Safe Drinking Water Act
